## Runway Fundraiser

Rattlesden Gliding Club are proud to own and operate from the original WWII runway and control tower. Every year, gliding club members volunteer their time to repair and maintain this vital infrastructure.

**This time we need your help!**

*RGC runway repair crew*

In August 2024 we set a goal to raise £60,000 to fund materials to repair a large section of the runway. We've purchased key equipment, have a willing crew and a dedicated team planning the work.

We've researched tarmac repair...

**Donate here:**

...and a test patch has performed well under heavy use by club and member's vehicles!

**Thank you for helping us maintain this resource for future generations!**
